

UNIVERSITY OF XYZ

COLLEGE OF ENGINEERING

HELLO ANNA !

AS THE YEAR IS DRAWING TO A CLOSE, I AM TRULY FILLED WITH GRATITUDE.

My name is Sally J. Student, a Chemical Engineering XYZ 2022 graduate, and I would like to share my story with you today!

My dad raised me and I have two little brothers. I am the first member of my family to attend college. Thanks to the College of Engineering Annual Fund scholarship, I could fully dedicate myself to my studies and graduate with a great job offer!

This has changed my life and made possible the dream that one day my siblings will have the same opportunities I had!

My heartfelt thanks to you, and my sincere wishes for a wonderful new year to all your loved ones!

Please continue to support our Engineering Annual Fund to create opportunities for hundreds of students like Sally! Those gifts are used to fund scholarships related to STEM (science, technology, engineering, and math) and mentoring programs for underserved students.

To donate, all you need to do is fill out the attached Pledge Card with your chosen amount and return it to us! For other ways to give please visit our online channels.

Thank you for trusting us and offering your much-valued support. We can hardly wait for what's ahead in 2023!

CHEERS,

Chief Development Officer
